Steve,

I've spoken with Steve Way about his access agreement for the Red and Bonita. After Paula's email to him, he spoke with Richard Sisk and they developed a unified access agreement that includes the list of land parcels and locations. He has a voicemail that he's left Paula so, hopefully, Paula and Steve can work this through at their level from here. Thanks, lw

Laura – I would appreciate your assistance ensuring that we coordinate on access for this site. We have multiple sampling events scheduled for the area in and around the Red and Bonita and don't want to get into a conflict with Mr. Hennis that might impact Steve's or our work.

Thanks,

Steve
